WELCOME MESSAGE

On behalf of the Management and Staff of the Pharmacy Council of Nigeria (PCN), I welcome all our esteemed stakeholders to the month of February 2026. As the Council's regulatory activities continue to deepen and gain momentum, all colleagues are reminded to promptly complete their registration requirements for both individual and premises licences, in line with the provisions of the

Pharm Ibrahim Babashehu Ahmed FPCPharm

Registrar/CEO

Pharmacy Council of Nigeria

Pharmacy Council of Nigeria (Establishment) Act, 2022. Please note that penalties for late registration or licence renewal will be enforced after the statutory deadlines, as prescribed by law. Our colleagues in the Registration and Licensing Departments remain readily available to provide guidance and support where needed.

I would also like to express my sincere appreciation for the kind messages, goodwill, and prayers extended to me on my birthday, January 15, 2026. I pray that God, in His infinite mercy, grants us all abundant reasons to celebrate in the year ahead.

EDUCATION & TRAINING

In January, a total of two hundred and twenty-seven (227) fresh pharmacy graduands were inducted into the pharmacy profession. The graduands were from the following institutions: Olabisi Onabanjo University, Sagamu, Ogun State; Bayero University, Kano; Dora Akunyili College of Pharmacy, Igbinedion University, Okada, Edo State; and Madonna University, Elele, Rivers State. A supplementary induction was also conducted for sixteen (16) graduands from: Gombe State University, Gombe State, and Delta State University, Abraka, Delta State. The supplementary induction also included one (1) FPGOP candidate.

Additionally, one hundred and seventy-five (175) foreign-trained pharmacists who were successful after the second cycle of the 2025 Foreign Pharmacy Graduate Orientation Programme (FPGOP) were inducted into the pharmacy profession.

The Council congratulates all newly inducted pharmacists and wishes them a successful and fulfilling professional career.

PROGRAMMES COORDINATING DEPARTMENT

Participation in World Bank Health Security Project Orientation

The PCN participated in a one-day Pre-Workplan Orientation Meeting by the World Bank on 16 January 2026 in Abuja. The meeting was held for Federal Implementing Entities under the Health Security Project in Western and Central Africa (HeSP) Nigeria Phase II Project, which seeks to tackle health security vulnerabilities within the region with World Bank support.

Stakeholder Engagement on private Sector Malaria Case Management

In collaboration with the National Malaria Elimination Programme (NMEP), PCN participated in a two-day stakeholder engagement and State Training of Trainers (ToT) on the Private Sector Malaria Case Management Project across eight (8) States of the Federation: Kaduna, Jigawa, Katsina, Niger, Yobe, Adamawa, Taraba, and Osun States. The project aims to train Community Pharmacists (CPs) and Patent and Proprietary Medicines Vendors (PPMVs) on the provision of quality malaria care services in communities using the test, treat, and track approach.

Participation in National Self-Care Coordination Committee Meeting

PCN also participated in the First Quarter National Self-Care Coordination Committee (NSCC) meeting held at Bolton White Hotel, Abuja, on Tuesday, 27 January 2026. The meeting focused on sharing updates and discussing progress on the implementation of the National Self-Care Programme, among other key agenda items.

Collaboration on PRIME Malaria Intervention

PCN held an inception meeting with Clinton Health Access Initiative (CHAI) on the Private Retailers for Improved Malaria Outcomes (PRIME) Project on Friday, 30 January 2026 in Abuja. The Project will be implemented in two States namely: Kaduna and Katsina.

The Project is aimed at improving access to quality-assured and affordable malaria diagnostics and treatment, leveraging the reach of Community Pharmacists (CPs) and Patent and Proprietary Medicine Vendors (PPMVs) in underserved communities with limited access to care
